

## Niche Society Management Company Profile

# About Us

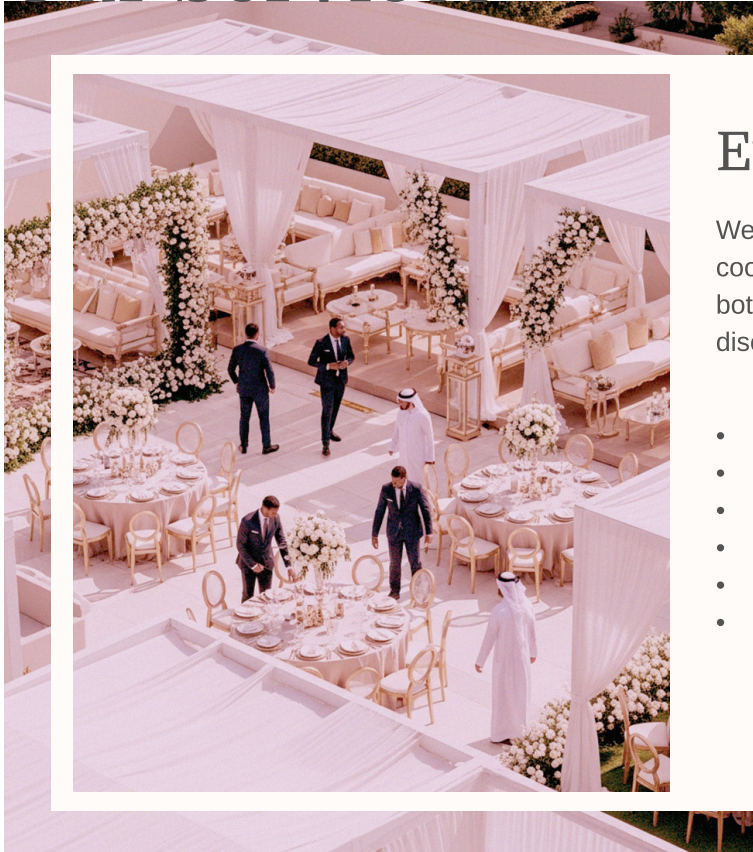

## Who Are We?

Niche Society is a management firm specializing in operational excellence for private estates and high-end hospitality, with 25 years of experience serving royal families and high-profile clients.

Our services span luxury estate management, etiquette and official protocol, logistics, public relations, event management, and high-end hospitality.

At Niche Society, we deliver trust and peace of mind to our clients, ensuring luxury, comfort, and discretion.

# Our Services

## Event Management:

We manage every detail by designing systems, coordinating teams, and maintaining excellence in both residential and event settings, ensuring smooth, discreet, and elevated performance.

- Planning private celebrations & various events.
- Venue sourcing & integrated styling.
- Guest experience management.
- Protocol & VIP handling.
- Collaboration with planners.
- Corporate gifting & gift redesign.

## Household Management:

We transform every site into a fully orchestrated & managed ecosystem. Our approach is tailored to the nature of the property and the owner's vision, with full oversight from operations to evaluation and refinement.

- Household system setup & daily operations management.
- Full property and staff evaluation.
- Strategic updates aligned with client goals.
- Custom reports & digital dashboards.
- Property owner onboarding & emergency coordination.
- Dedicated relationship manager for ongoing support.

# Protocol & The Art of Etiquette:

We provide tailored advisory and training programs to enhance communication and behavior in both formal and everyday settings for schools, individuals, and royal households, with a focus on personal style, diplomatic presence, and refined interpersonal skills.

- Royal and official protocol workshops.
- Advanced hospitality etiquette programs.
- Personalized communication strategies.
- Presence, articulation & conversation training.
- Foundational etiquette programs for schools.
